

# **PlantAmnesty's Pruning and Garden Renovation Workshops**

Spring – Saturday, April 15, 2017 10am – 3pm  
 Fall - Saturday, September 16, 2017, 10am - 3pm  
 Fall (in Spanish) - Friday, October 6, 2017, 8:30am – 3:30pm

The Renovation Workshop is a popular hands-on all-day event that features a rare 3:1 student-teacher ratio and real-world experience. Students will learn pruning and creative solutions for the overgrown garden as an entire yard is renovated during the class. The day begins with a lecture followed by hands-on experience out in the yard. Topics discussed will be pruning, transplanting, and landscape maintenance. The group will move through an overgrown landscape while instructors give on-the-spot evaluations of plants and demonstrations of pruning. Workshop participants will then cycle between jobs to learn what the landscape has to offer.

The workshop typically takes place at a private residence within King County selected for its neglected state and diverse plant material so as to provide class instruction on a wide variety of topics. All participants receive a pruning DVD and handouts on various pruning topics.

## **PlantAmnesty's Fruit Tree Field Day**

June 24, 2017 10 am – 3 pm

First, in a morning lecture, an expert in the field will cover the basics of fruit-tree pruning. The lecture is followed by an afternoon of live fruit-tree pruning demonstrations in small groups. This workshop will take place at a site in the Seattle area.

These workshops are for home gardeners, landscape professionals, and students in the Master Pruner Program. Complete details and materials will be sent to students a few weeks prior to the workshop.
